 Neutral	0
 Disagree	0
 Strongly disagree	0

Any further comments about this session

- Very informative
- Informative session
- Lots of talk through needed more time for practice

16. Considering the Workshop 4-Neonatal collapse outside of the NICU, please indicate how much you agree with the following statement

'The content was appropriate and the delivery was excellent?'

[More Details](#)

 Insights

 Strongly Agree	19
 Agree	4
 Neutral	0
 Disagree	0
 Strongly disagree	0

Any further comments about this session

- Informative
- Most hands on session-more hands on and what I expected from a skills day

18. Considering the Workshop 5-Pneumothorax Session, please indicate how much you agree with the following statement
'The content was appropriate and the delivery was excellent?'

[More Details](#)

 [Insights](#)

 Strongly Agree	17
 Agree	3
 Neutral	2
 Disagree	1
 Strongly disagree	0

Any further comments about this session

- Very informative
- No hands on elements. Teachers very knowledgeable and good explanations but no skill practice

20. I would recommend this study day to a colleague?

[More Details](#)

Did you learn something today that will change your practice

- Advocate for the use of LISA
- Exchange transfusion
- Learnt a lot
- I really enjoyed the day. I have not got much experience so found the day very beneficial
- I feel more confident about my approach to neonatal emergencies, thank you
- Yes, exchange transfusion
- Yes, learnt about LISA
- Consolidated knowledge
- Gained more knowledge, could refresh my knowledge
- Yes
- Useful to discuss preparing for a preterm delivery and attending a neonatal collapse
- Yes. Nursing care, supporting team and refreshment about procedures
- Yes I did. All sessions were informative and practical
- Yes, some new ideas on how to make arrangements for delayed cord clamping at delivery
- The life start was very interesting
- Yes many skills such as exchange transfusion and LISA
- Learning about chest tube insertion
- Knowledge on exchange transfusion
- Really useful session with appropriate work stations
- Gained confidence in emergency skills
- Yes, every emergency skill is now so helpful for me in my clinical settings

Is there any other feedback that you can give us which can improve the sessions on this day?

- None
- Really good day. Thank you
- Being hands on
- It was amazing
- Found the day really good would strongly recommend
- Excellent workshops. Really well organised. Lovely venue. Thank you
- No
- Very well organised, practical tips given. Great lunch
- Maybe a brief break between on of the lectures at the beginning-long time to be sitting
- Nil
- Improved my confidence
- It was a well organised day and good content. Thank you
- All the faculty members were knowledgeable, approachable and supportive
- Amazing day. Looking forward to more study days
- The day was great and the sessions were just the right length
- N/A
- The program was well organised and time conscious. Well done
- Felt this was all content that could be done on teams. Would prefer more practical/SIMS for a skills day
- No
- Well organised
- All good
